LAND USE PLANNING CURRICULUM VITAE

PROFESSIONAL LAND USE PLANNING EXPERIENCE

- Over the past 25 years, Donald May has worked in the municipal, private and consulting fields preparing, processing and evaluating planning applications including official plan amendments, rezonings, subdivisions, site plans, minor variances, severances, expropriation, and special permits within the Parkway Belt and Niagara Escarpment.
 - Development management for hospitals, estates and major tourist commercial properties.
 - Provided professional planning opinion to Municipal Councils, Committee of Adjustment, Land Division Committees, Conservation Authorities, Ontario Municipal Board, Consolidated Hearings Board, Ontario Courts and National Energy Board.
 - Mediation in land use and expropriation matters.
-

MAJOR PROJECT DESCRIPTIONS

- Implementation of the Secondary Plan for the Meadowlands Community in Ancaster and Millcroft Community in Burlington.
- Coordinated the planning and development of Devils Glen Ski Club in the Collingwood Area and Beach of O'Pines Community in the Grand Bend Area.
- Planning for the South East Urban Expansion of Waterdown for the Argo Estate including a Consolidated Board Hearing.
- Urban and rural subdivisions throughout Burlington.
- Urban intensification projects in Burlington and Hamilton.
- Employment projects in Burlington and Hamilton.
- Mixed Use nodes such as the Heritage Greene Development in the East Mountain of Hamilton.
